Intel Corporate Nondisclosure Agreement

实验重建输入 | 非原附件 | 依据同源描述制作

Parties: Intel Corporation and Bold Quest Technology Co., Ltd. Effective date: 2026-05-21. Experimental reconstructed agreement; not a signed legal original.

1.2 Confidential Information includes marked tangible information and information a recipient reasonably should understand as confidential. Discussions related to disclosures may be covered.

3.2 Each party is responsible for disclosure by its covered persons and affiliates.

4. Confidentiality obligations continue for five years after receipt of information.

5.5 Exceptions include public information, prior knowledge, independently developed information, lawful third-party disclosure and legally compelled disclosure with reasonable notice.

7. Either party may terminate by written notice. Existing confidentiality duties survive for their specified term.

8.2 No license of intellectual property is granted. 8.4 Delaware law and

Delaware courts apply. 8.6 No warranty of accuracy or usefulness is given.

Form field counterparty_name and signature date remain unfilled. Experimental reconstruction has no genuine signature; original jurisdiction exclusivity differs between AI summaries and is not certified.
